Here's the problem: I can't log off or get out. I can close it, but when I click on the stamp icon in on the Mac desktop it pops up with all my emails right there—even after I 'quit' mail.

From the Mail menu, choose Preferences, or press Command-, (the Command and comma keys).. Nov 25, 2017 To remove an email account in Mail: Open Mail (click it on the Dock or open it from the Applications folder).. Mar 19, 2018 If you have logged in to your email account using Mac's built-in app and would like to log out, follow the below steps: Open System Preferences; click on Internet accounts; You see list of accounts through which you can login and the mail box you've already logged in to the left.. Click the 'Accounts' icon. Select the account you wish to remove. How to sign out of mail on Macbook.. Uncheck the box and click on "-" sign at the bottom left. Apr 02, 2010 Anyway, on my Mac, when I want to reply to ads in Craigslist, it automatically sets up a connection to my Gmail account which is fine.
